

Dear Brown School Community,

Thank you for offering to support with some of the families in our communities.

The family consists of a mother, grandmother, son (age 21) and daughter (age 8). Daughter lives with her mother and grandmother, as her mother is a single parent. Mother recently suffered a great injury after falling on the bus and must now use a walker for mobility. She is in constant pain and has memory issues as a result. Daughter has been significantly impacted by Mother's accident and resulting injuries, often feeling very stressed and responsible for helping Mother. Daughter is working on controlling her emotions and needs encouragement to feel good about herself – Knowing others were thinking of her and her family and shared gifts with them would mean so much to her and her family.

Girl, age 8 – She has been growing very quickly and **needs clothes (size 14 kids or adult small) and shoes, in particular winter boots (shoe size 7-8)**. Mother suggested that it may be better to go shopping in person for the shoes. Her favourite colours are blue, black and red and she likes **stuffed animals** and **stickers**. She really enjoys **drawing and art**, so **any related supplies** would be very useful. For toys, she also likes **Lol Surprise** or **LOL dolls**.

Brother, age 21 – He is planning on re-attending school in the fall, but has taken some time off to work. He would appreciate gift cards for **Amazon** or **Walmart**.

Grandmother, age 68 – She would greatly appreciate grocery gift cards for **No Frills** or **Walmart**.

Mom, age 46 – She would greatly appreciate gift cards for **Dollarama** and **Walmart**

We can't thank you enough for your generosity. We wish you all a very lovely Holiday Season.
